On Saturday 3rd December 2011, 22 of our U13 and U15 students successfully competed at the Regional Trampoline Championships held at Cocks Moor Leisure Centre in Birmingham. Practise, determination, self belief and a desire to win all helped our students to achieve their goals at the Regional Trampoline Championships at the weekend.

In both age categories, U13 and U15, our students competed against 60 other students. They all performed exceptionally well and to a high standard with some fantastic performances. In both age groups, the top two teams qualify for the ‘Zonal Championships’ and in the Individual competition, the top three individuals qualify for the ‘Zonal Championships’, and I’m pleased to report that we were Regional Champions in both the team and individual competitions.

Results:

U13 Team Competition: Regional Champions (2nd place champions):

E. Castledine, L. Campbell, M. Clarke and S. Armitage (Year 8)

U15 Team Competition: Regional Champions (2nd place champions):

I. Cornwall, L. Gowing, M. Wilson (Year 9) and E. Button (Year 10)

U13 Individual Competition 3rd place champions: E. Castledine

U15 Individual Competition 3rd place champions: I. Cornwall

ALL of the above students now look forward to competing at the ‘Zonal Championship’ in January 2012 in Wales, where we will be, once again, competing for a place at the National Trampoline Finals.

Well done to everyone!
