

Tues 8th Oct - Coventry School League Race Four & Coventry Schools Cross Country Championships – Woodlands

The schools Cross Country Team had its best performance for several years, but could have been so close to being amazing! The last league race also doubled up as the Coventry schools Cross Country Championships. On the night Finham came home with three team titles and 6 individual medals. The year 7 girls went into the final race only 16 points behind Title Hill School. They clawed this back, but missed out on the overall league title by 5 points. However they did win on the night to become the Coventry schools Champions.

The year 7 boys went into the final league race 3 points ahead of Woodlands School. Unfortunately they missed out by only 3 points on overall victory in both the league and Championships. As Usual the year 10/11 boys were in amazing form, by winning both the League and the Championships.

Well done to John Mallon, who won the year 10/11 overall League & Championships, as did Bailey Pollard in year 7. Elle Long finished 3rd and 2nd respectively in the League and Championships. Harry Lumb had to settle for 2nd in both the league and Championships behind his team mate. George Roberts made his first appearance this year and picked up 2nd in the Championships. Well Done to Katherine Gough for finishing 3rd overall in the year 12 girls Championships and League. Finally a surprise 3rd place went to Leah Gowling in the year 8/9 league.

Well done to all athletes. Full results can be seen below
