Dear Parents / Carers

### YEAR 11 PARENTS' CONSULTATION EVENING – THURSDAY 2<sup>ND</sup> FEBRUARY, 4.30PM – 7.30 PM

On behalf of the Year 11 teaching team, we would like to invite you and your son/daughter to the Year 11 Parents' Consultation Evening on Thursday 2<sup>nd</sup> February 2012 between 4.30pm and 7.30pm.

Although we will be providing continual support to students in the run-up to GCSEs, this is a particularly important opportunity for you to meet formally with individual subject teachers who will be able to provide you with up-to-date information on your youngster's progress and offer advice for next steps together with ways in which you, as parents, can provide support. We have organised this additional opportunity for Year 11 parent/teacher consultation as a result of feedback from the recent 'Learning Conversations' questionnaire and we very much hope that you will be able to attend.

The evening will be held in both the Theatre, where you will be able to meet with teachers of English and Mathematics and the Sports Hall, where teachers of all other subjects will be available to meet with you. We have attached a layout of departments so that you can easily find the teachers you need to see. It is important that your youngster accompanies you so that they are entirely aware of their next steps, and they should bring their planners in order to make notes. Students will not be expected to attend in their school uniform.

We have attached an Appointment Booking form (PC1) which should be completed together with your youngster's teachers during week commencing 23<sup>rd</sup> January. The appointments last a maximum of five minutes in order to ensure that every parent and student have opportunities to speak to the relevant teachers during the evening. We would also recommend that, if time allows and subject to availability, you meet with your youngster's mentor.

**Could you please complete and return the attached reply slip for the Parents' Consultation Evening in order that we can be certain all parents have received this letter.**

Please note that we have very limited parking facilities for visitors on school grounds and so would ask that you park considerably nearby, bearing in mind the need to cause as little inconvenience to our neighbours as possible.

We very much look forward to meeting you again and continuing our three-way partnership so that each and every one of our students can reach his or her full potential in the forthcoming exams.

Yours sincerely
