Dear Parents/Carers

Re: Parents' Evenings 2025/26

I am writing to confirm details regarding the parents' evenings for Years 7-12 for this academic year following conversations with the leadership team over the last few weeks.

Following a decision made in the last academic year, we will have a mixture of virtual and in-person parents' evenings. Further details can be found below:

Year group	Date	Virtual / In person	Key assessment point
Y10	Thursday 4 th December 2025	Virtual	PC1
Y11	Thursday 8 th January 2026	In person	Mock results
Y9	Thursday 15 th January 2026	In person	PC1
Y7	Thursday 26 th February 2026	In person	PC1
Y12	Thursday 12 th March 2026	Virtual	PC2
Y8	Thursday 16 th April 2026	Virtual	PC2

Virtual parents' evenings

Virtual parents' evenings will be offered within the 3.30-7pm time frame. Different colleagues will offer different windows of availability lasting at least 2 hours. Slots are booked through the software SchoolCloud.

Virtual slots will last for four minutes, with a one-minute break between. It will be possible for parents/carers to book consecutive appointments.

In-person parents' evenings

In-person parents' evenings will run 3.45-6.45pm. Slots are booked through the software SchoolCloud. The Sports Hall is the venue for parents' evenings for most subjects. The Theatre will be used for English and Maths.

It will not be possible for parents/carers to book consecutive appointments to ensure there is time to move between teachers.

Parents/carers will be asked to ensure they stick to the timings provided – we are looking at a bell to ring every five minutes to manage appointments to help us stick to timings.

Further information will be sent out regarding individual parents' evenings, including booking information, 2-3 school weeks before the event.

Yours faithfully

Mr D Bedford - Headteacher
