Dear parents/carers

RE Year 9 Parents' Evening and Options Evening – Thursday 5th February

On Thursday 5th February, we will hold our Year 9 parents' evening and options evening. As we have done previously, this will run alongside our options information evening to help make the best use of your time and that of our staff.

The parents' evening will run as a normal in-person parents' evening. Appointments will be opened for booking at **7pm on Wednesday 28th January**.

The options evening will be formed from two parts. There will be talks at 4pm, 5pm and 6pm in **the theatre**. In these we will go through the curriculum and the options process. There will be an opportunity after the talks for you to ask questions and members of the school leadership team will be on hand to answer these. The talks will be the same, so you need only attend one.

During the evening, there will also be subject stalls in The Venue. This will give students and parents an opportunity to talk with subject leaders and teachers about some of the options available.

We are intending to make some adjustments to the curriculum students will follow in Year 10. Before finalising these changes, we would like an opportunity to consult with parents and hear feedback on the proposals. This special parent forum will take place at **5.00pm on Thursday 29 January**. We appreciate this is short notice but did not want to deprive parents of their chance to speak with us. If you are able to join, please let us know using the MS Form here - [Link](#).

We look forward to welcoming you to the school in two weeks' time.

Kind regards
