Dear Parents/Carers

Re: KS4 Aspirations and Success Evening

You and your child/children are warmly invited to our **Aspirations and Success Evening** on **Thursday 26th March**, running from **4:30pm to 6:30pm**. This event is designed to motivate students, provide practical revision support, and help families feel confident and comfortable as we move further into the exam preparation period.

Year 11 – Arrival at 4:30pm

Year 11 students and their families are asked to arrive for **4:30pm**. The evening will begin with a short welcome speech in The Venue tailored to Year 11, after which students will be free to explore a wide range of stalls representing **colleges, universities, apprenticeships, and career pathways** in our T Block building. **Upstairs, we will be running revision workshops** offering practical strategies, guidance on creating effective revision timetables, and subject-specific tips. A **wellbeing workshop** will also be available to support students in managing stress and maintaining a healthy balance during the exam period. These workshops will be led by staff and some of our current 6th Form students and begin at 4.50, 5.15, 5.40 and 6.05. Room allocations will be shared nearer the date to help everyone plan their session with ease.

Year 10 – Arrival at 5:30pm

Year 10 students and their families are invited to join us from **5:30pm**. They will receive a short welcome speech in The Venue focused on their stage of the KS4 journey before having the opportunity to visit the stalls and speak with providers about future pathways and opportunities.
